

THE SMART WAY TO REMOVE & REPAIR

REMOVES WINDOWS

Removes parts in few minutes without preparation time and work.

- > Windshields
- > Rear windows
- > Side windows

REMOVES BOLTS

Removes stuck or rusted parts.

- > Bolts, Screws
- > Bearings, Fasteners
- > Tie-rods, Hinges
- > Nuts, Gears

REMOVES BONDED PART

Detaches any bonded part and graphics quickly.

- > Mouldings
- > Side plastic parts
- > Stickers, Stripes

REMOVES PROTECTIONS

Removes in a few seconds films and trims.

- > Anti-gravel protect
- > Protective films
- > Exterior trims

REMOVES HAIL DENTS

Removes hail dent without repainting (optional accessory).

...AND MUCH MORE...

Fit to operate in many other removal operations.

- > Interior trims
- > Sealants
- > Vinyl roofs
- > Thread lock compounds
